<i>think about other things and daydream.</i>	<i>stay focused on the book and stay awake.</i>
<i>take their time and enjoy their books.</i>	<i>look at everything on the page.</i>
<i>make noise or disturb others.</i>	<i>fall asleep or pretend to sleep.</i>
<i>open and close the same book many times.</i>	<i>read quietly and do not disturb others.</i>
<i>get up and down during reading time.</i>	<i>stay in one spot and stay focused.</i>
<i>turn the pages too quickly.</i>	<i>read every word carefully.</i>
<i>cannot talk about the book or understand it.</i>	<i>understand what they read.</i>
<i>change to new books too fast.</i>	<i>read a few books really well in the time they have.</i>
<i>think books are boring.</i>	<i>think books are fun!</i>
<i>take care of books.</i>	<i>do not take care of books</i>
